**'IN HOUSE' OUR TRAINING ON YOUR PREMISES, CONTACT US REGARDING HALF DAY TRAINING FOR UP TO 6 PEOPLE**

## **MODERATE IMPACT**

This is our basic package aimed at residents, staff or a combination of both. We provide specialist training for up to 20 people that includes a preliminary discussion where we explore and identify the issues, following which a fully interactive drama workshop includes role-play, different perspectives and working together.

This package takes place over half a day and requires a minimum of 12 delegates.

## **MEDIUM IMPACT**

This option raises the game by providing all aspects of the Moderate Impact Option. Again, it is tailored to residents, staff or a combination of both, however, in addition to the above, it includes Action Planning that is linked to our unique 'accreditation'. This is where we design solutions that help your organisation to combat ASB.

This package takes place over a full day for up to 20 delegates and requires a minimum of 12 delegates.

## **HIGH IMPACT**

Moving up a few gears, this option is aimed at organisations, who choose to take control by taking the prescriptive approach to managing ASB and delivering ongoing solutions. It incorporates:

- Exploring and identifying the issues
- Interactive drama workshop
- Action Planning, which includes two Quarterly Action Plan Reviews to ensure your organisation is on track with the implementation of its monitoring and control of the tailored ASB management procedure introduced as part of the programme.

This package necessitates a full day for up to 20 delegates and requires a minimum of 12 delegates.

## **MAXIMUM IMPACT**

This is the ultimate solution...

- Exploring and identifying the issues
- Interactive drama workshop
- Action Planning which includes ongoing damage limitation management advice and six bi-monthly Action Planning Management meetings to ensure your organisation is taking the lead on the effective management of ASB.

This package is designed for a minimum of one day for a maximum of 15 delegates (it requires a minimum of 8 delegates).
